

THE FLINTSTONESTM ORIGAMI EASTER EGGS

MATERIALS

-  Origami Paper: Orange, Brown, & Green
-  Scissors
-  Black Marker
-  Glue
-  Hard Boiled Eggs
-  Tape

WHAT TO DO

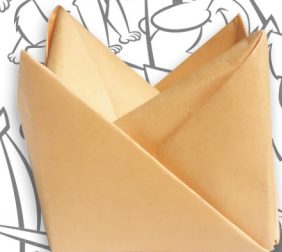

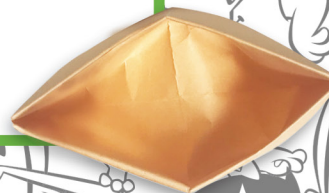

- Take a 6 inch square of origami paper and fold it in half to make a rectangle.
- Fold the paper in half again to make a square and then open it back out to a rectangle.
- Take the right edge and fold to meet the center crease. Repeat on the other side.
- Open out one side and collapse down to make a triangle. Collapse down the other side as well.

WHAT TO DO

- Flip the paper over and fold both edges in to meet the center.
- Fold the bottom right corner up to the center. Repeat and fold the bottom left corner up to the center crease to make an upside down triangle. Flip the paper over and repeat.
- Fold the top triangle up to meet the top of the paper. Flip the paper over and repeat on the other side.
- Open out from the bottom to make the base and press down in the middle to form the cup.

The cups are now ready to be decorated and hold your eggs! Use the marker to draw on the cups as needed (see image), the glue for Fred's tie, and the tape to attach the hair.

And that's how you ***Yabba Dabba Do it!***
